To preserve and maintain the original finish of this cooler/furniture, a natural tung/linseed/Danish oil (with stain), which can be found at your local hardware store, should be applied. Please note the cooler/furniture has been stained and oiled before being packaged. If the wood is not maintained, the wood will naturally grey in color.

Remove the cooler/furniture completely from sunlight prior to applying oil. Apply generously and remove any excess oil with cloth. Frequency of the application of oil depends on exposure to the extremities of the outdoors.
